1st Half Season

2nd Half Season

Start: Monday Jan. 3rd **End:** Wednesday Mar. 17th M=8 T=10 W=10 weeks

*2 Bowlers per lane, all lanes will be used. Open lanes could be utilized as gaps if number of participants allows, however it is very possible all lanes could be used. With only 2 bowlers on each lane we feel there is ample space to allow for social distancing between participants. Bowlers will be asked to stay in the area of their assigned lane only.

*Normal 'Cross Lane' bowling format will not be used at beginning of season. Bowlers will remain on same lane for the entire day. Bowlers will rotate lanes throughout the season bowling against others in their division like normal.

*Masks are required at all times by bowlers and any spectators. Masks can be removed or pulled down while bowler is on approach, but preferred to be worn at all times. NAL Staff wear masks at all times.

*We are not planning to limit spectators at this time. If we come close to our total capacity, we may need to add spectator limitations. The participants could reach maximum capacity for the bowling area, therefore spectators must always remain in concourse area above the steps.

*Bowlers that use 'house balls' will only be allowed to use 1 ball per day unless a coach or NAL Staff allows them to pick out another ball. Bowlers will be required to sanitize their hands before selecting a bowling ball.

*Bowling fees will now be collected as a lump payment unlike the traditional pay as you play. Season will be divided into 2 halves, with payments due at beginning of each half. This is being done to reduce the check-in time and bottleneck of kids/parents at the desk upon arrival each day. This will also reduce the number of person-person contacts each day. Refunds will be offered if NAL is not able to be open for youth leagues. (Covid Closures, State Mandates, or other unforeseen closures with the exception of weather related school closings) If schools are in a Hybrid learning model, Jr. Bowling Leagues will continue as normal. If all ISD 544 schools go to Full Distance Learning with sports and activities canceled, Jr Bowling will be suspended until schools go back to Hybrid or full in-person learning. Refunds will be issued at end of season in the form of an NAL Gift Card. Individual absences will not be refunded, bowlers will be allowed to make-up missed games like usual. Remember NAL League bowlers get 2/1 open open bowling games when you come with family, friends or to practice.

*Costs remain very similar to previous seasons if you were to break them down to a weekly basis. 1-3 graders bowl 2 games, 4-12 graders bowl 3 games. 1-3 cost breaks down to \$7 and 4-12 to \$9 weekly. These costs include games of bowling, tax, shoe rental, practice time before each session and a portion of each week's fees go to the FF Youth Bowling Association. **Cash payments are preferred.** Credit Cards will be accepted however there will be a \$5 transaction fee added to each payment. NAL does not accept checks.

*COVID Awareness: Please do your part and keep your kids home if not feeling well. If you are told to quarantine because of possible exposure do not come until cleared. If there would happen to be a positive case at NAL during JR Leagues, close contacts will be notified. Close contacts will be anyone within 2 lanes (12') on either side of known positive case. If the unforeseen should happen your child tests positive, NAL would prefer to be notified by you rather than MDH. Names will NOT be used when notifying other possible close contacts. If the MDH notifies us we may not know what lane the individual was on if they were a bowler or restaurant customer or what time they were actually at NAL.

*Informational posts will be on 'Fergus Falls Junior Bowling Leagues' facebook group. This will be the primary informational hub for Jr Leagues at NAL.
